1 Q. Agent Burmeister, can you explain what we're seeing here in
 2 Government's Exhibit 831 that differs from Government's Exhibit
 3 830? Is this a different perspective?
 4 A. It's a different perspective. It shows the entire piece
 5 from a distance. It gives you a better idea. If you were to
 6 look at the piece and be able to refer to the photograph, you
 7 would be able to take the piece and the photograph and hold
 8 them side by side and show where the -- where the material is
 9 located.
 10 MS. WILKINSON: Your Honor, we offer 831.
 11 MR. TRITICO: I'll offer the same objection, your
 12 Honor.
 13 THE COURT: Overruled. 831 is received and may be
 14 published.
